Recessional

I just wanted to let you know that I moved. I was recently received by my Heavenly Father. Who informed me that my new home was ready And that I can move in immediately. Now that my new home is finished, it is a beautiful sight to behold. It is an exclusive area just off serene lake, and of course the streets are paved with gold, and it sits behind a white pearly gate. There is peace, love, joy, and happiness here. There is no more pain to bear, strife or discontent. There is only sweet serenity everywhere. We all know that I could go on about my new home but I have to go to my appointment to get fitted for my new wings. Let me give everyone my new address
