We the family of Nelson Junior Jenkins, were blessed with our loved one for fifty-nine years. But as God saw best, his last day on this earth with us was a day of healing from all his sickness and pain. Our hearts were broken because it was so hard to let go. Grief is an expression of love and beneath it all is unshakeable joy, because we know our loved one is in a better place. With love, prayers, and support of family and caring friends, we are able to let go with gratitude and a smile. We are forever grateful to each of you. May God richly bless you and continue to keep you in his loving care.
